

THE BILL 168 COMPLIANCE PACKAGE

Bill 168, the amendment to the Occupational Health & Safety Act with respect to VIOLENCE AND HARASSMENT IN THE WORKPLACE requires employers that follow the OHSA to be in compliance with the Act as of June 15, 2010.

The Act requires an employer to develop policies, programs, assessments and instruction to all workers in order to protect them against violence and harassment in the workplace.

The Mouradian Group Inc. has developed a **Workplace Harassment and Violence Prevention Program Manual** that includes all the necessary elements an employer needs to comply with the Act.
