

NEW! 2-PART SEMINAR

Presented by:

THE MODEL[®] MANAGER

How to develop and protect your human assets

- ✓ Recognize how a manager's actions affect the productivity and bottom line.
- ✓ Ted's unique 'Obama Factor' method teaches you how to deal with adverse situations by understanding that tone and attitude are key factors in leading your organization.
- ✓ Learn how to use the **Mouradian Conflict Intervention Model[®]**
- ✓ Learn the Six Tenets of **THE MODEL[®]**. These tenets will teach managers:
 - How to celebrate their human assets.
 - How to stop sweating the small stuff.
 - How to be assertive, but not aggressive.
 - How to turn conflict into constructive interchanges.
 - How to be in control without being controlling.
 - How accommodate without harming the bottom line.
 - How to build mutual trust and respect.
 - How to overcome F.E.A.R.
- ✓ Instruction on how to implement **THE MODEL[®]**

Total cost as low as **\$175* per person**
